RICKY MARTIN

Scan the article. What three cities did Ricky Martin live in?

Ricky Martin was born in San Juan, Puerto Rico, on December 24, 1971. He was always a performer. As a child, he appeared in television commercials and studied singing.

At the age of 12, he joined the Latin boy band, Menudo. He worked hard with them, and he became very well known. But he left the group after five years.

Martin moved to New York City, but he didn't work for a year. He was very frustrated, so he moved to Mexico City and got a part on a Mexican soap opera. Soon afterward, he recorded two Spanish-language albums. After this success, he moved back to the U.S.

Back in the U.S., he appeared on an American soap opera and in the Broadway show *Les Misérables*. Then he made his first English-language album.

That album was called *Ricky Martin*. His biggest hit, "Livin' La Vida Loca," was on that album.

Now he's famous around the world. But he still works hard, and he still loves singing. As he said to a reporter for the newspaper *USA Today*: "I want to do this forever."
